

## MALBEC ROSÉ

The parcel of Malbec old vines is planted on Siderolithic limestone near Cahors. The wine is made from the cut of the red Cahors 2018.

As does the red, unlike the traditional rosés, this rosé did the malolactic fermentation in barrel .

**Biodynamic viticulture. Ecocert certification.**

Average age of the vines : 40 years

Manual harvesting

Fermented and aged without sulphur in new French oak barrels

### Vintage 2018

100% Malbec

Production : 638 numbered bottles

*The wine has a beautiful red colour. The nose offers some aromas of pomegranate and flowers. Like red and unlike traditional rosés, the malolactic fermentation was carried out in barrels. The mouth is sweet, smooth, sip of red fruits. It is a unique cuvée and atypical, incomparable to what exists in the world of rosés.*

THE ULTIMATE RANGE OF HIGH EXPRESSION, TERROIR-DRIVEN WINES
